CITY OF BURLINGTON RECREATION AND PARKS DEPARTMENT
2016 FALL COED SOFTBALL TOURNAMENT

RULES:

1. A 10-run lead rule after 5 innings will be in effect in all games. Semi-finals and finals will be seven (7) innings (unless there is a run rule) with no time limit.
2. Home team will be decided by the flip of a coin by umpires or official scorekeepers.
3. No protests – all disputes settled on the field within 10 minutes or both teams will receive a loss.
4. Championship and runner-up trophies, and division trophies will be awarded after the finals.
5. **A player must have played in at least two (2) games with the same team, to be eligible for tournament play with that team.** The only exception to this will be for those players with medical conditions certified by a doctor. Official documentation from the doctor's office must be turned into BRPD before games begin.

TOURNAMENT PAIRINGS: Teams were matched against each other on a seeded basis. Where possible, switches were made to prevent teams from the same division playing in the first round. Seeding was based on records, winning percentage, and strength of division. Ties within the divisions were broken by head to head competition. If ties could not be determined by head to head, team names were drawn from a hat.

****TOURNAMENT FORMAT:** Tuesday first round losers move on to compete in the co-ed city playoff. Tuesday first round winners will move on to compete in the co-ed city championship.

NOTE: Please check the tourney bracket carefully as to date, time and field.

GOOD LUCK TO YOU ALL!
