

## Effective July 1, 2013:

Downtown parking regulations will be enforced from 8am-5pm Mondays through Fridays.

Drivers found illegally using ADA (Handicapped) placards could receive state citations resulting in a fine of up to \$250.

Enforcement will begin in 2-hour parking spots located in city lots.

The City has increased all-day parking by creating 92 additional spots in city lots #1 and #2.

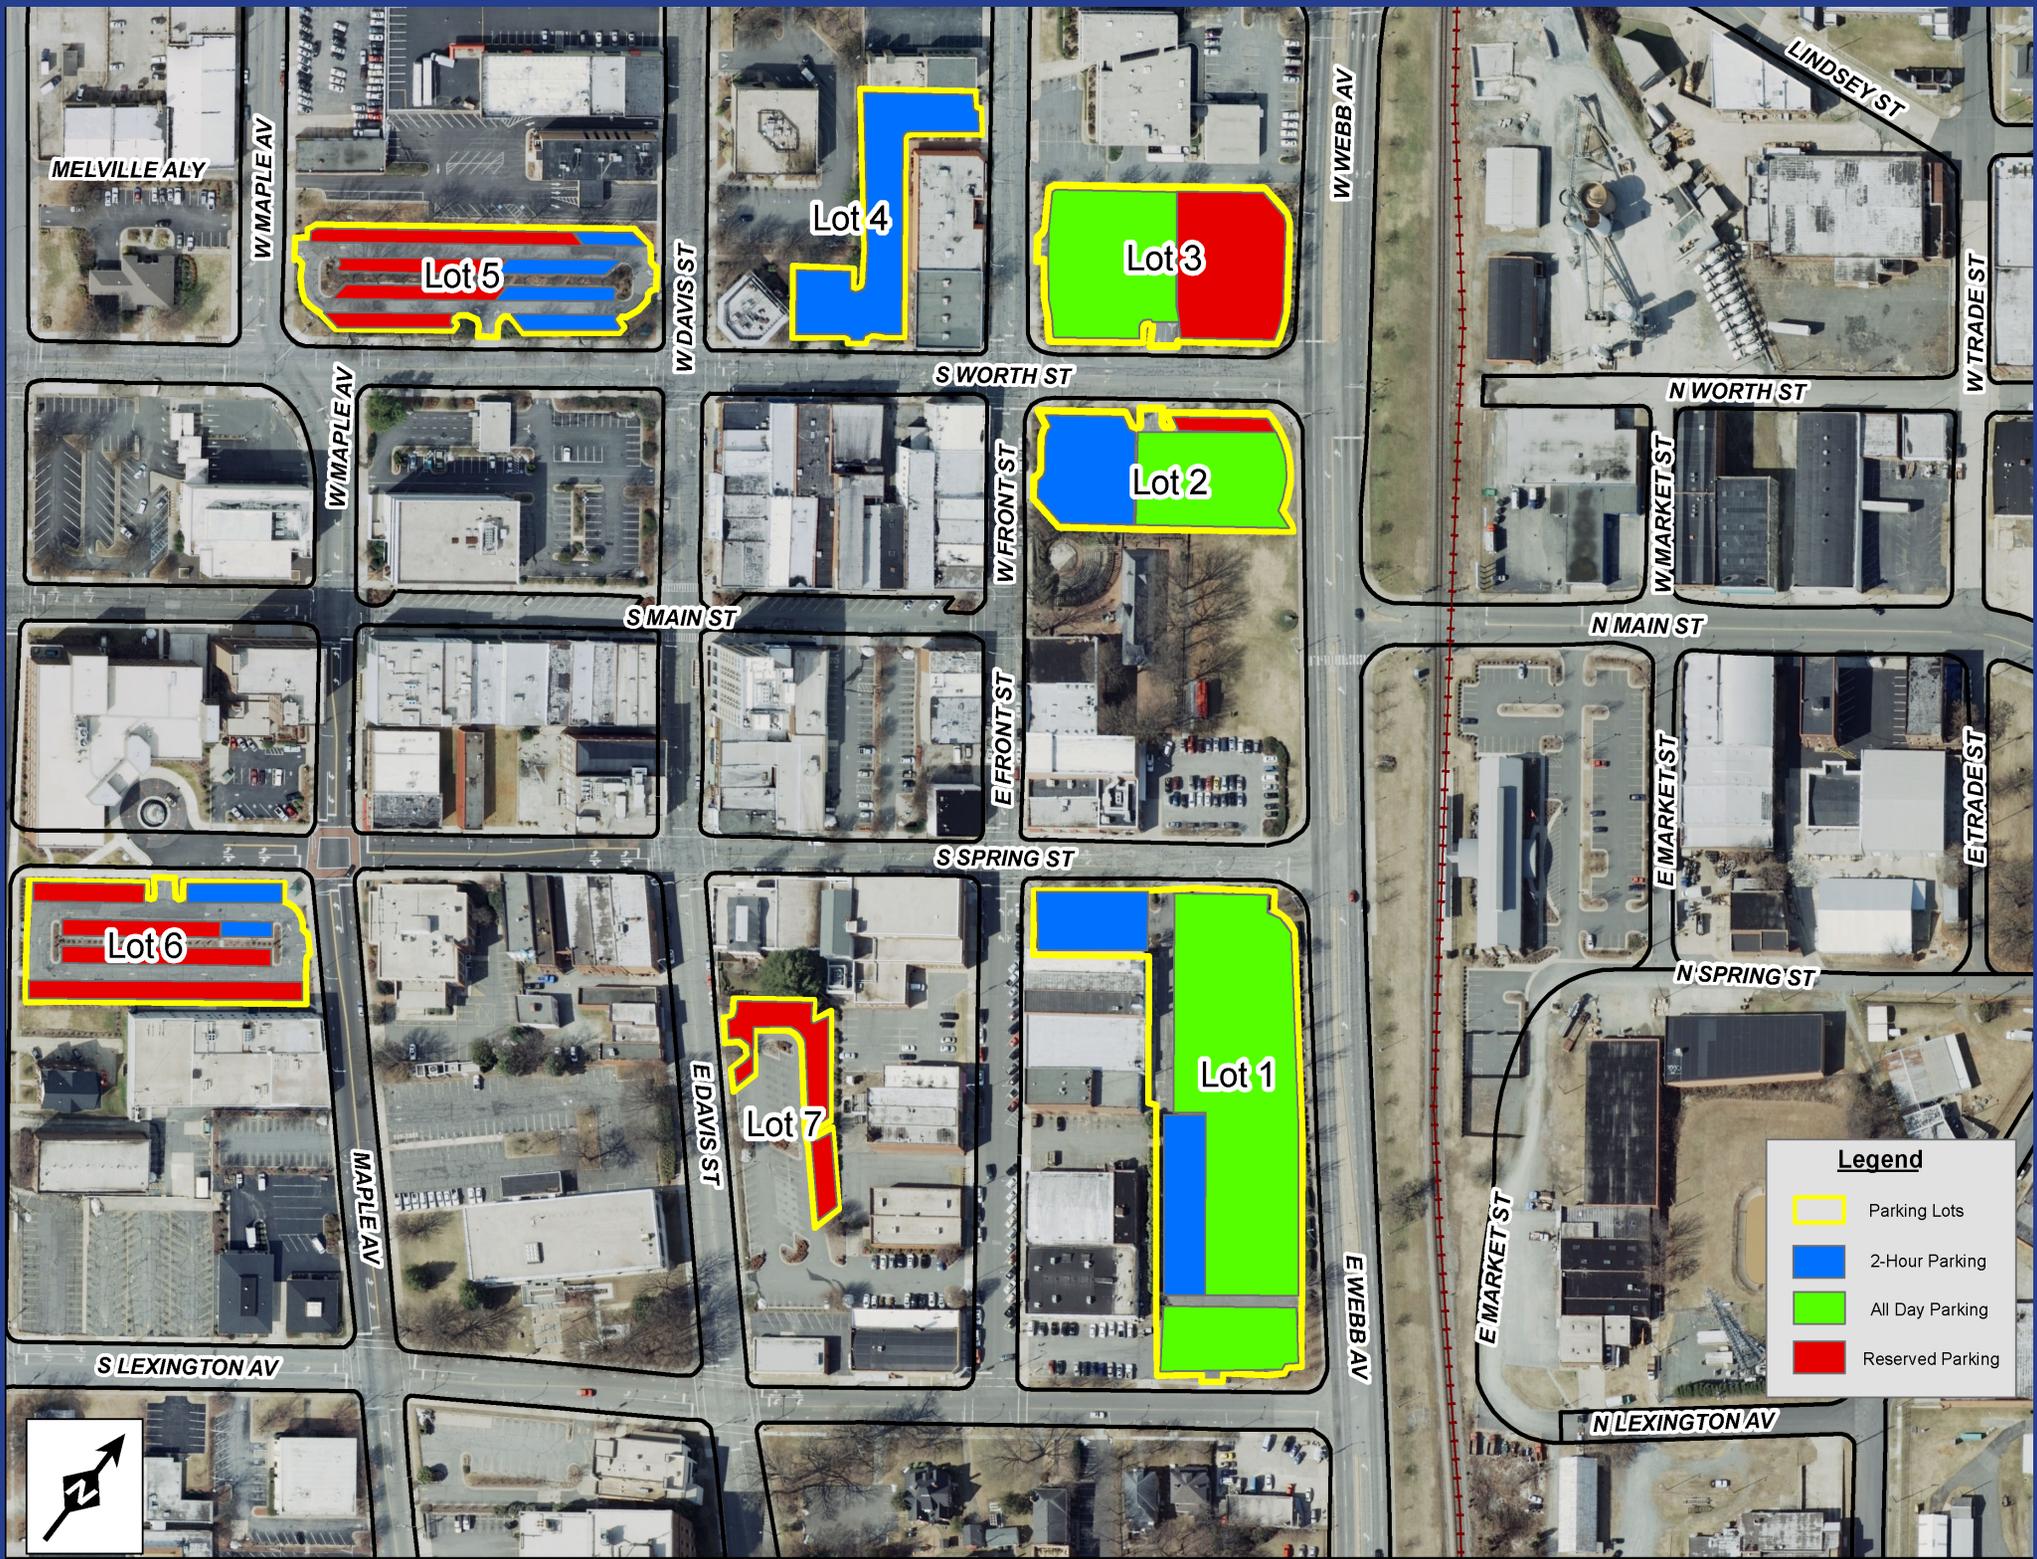

Please refer to the included map of City parking lots to locate all-day parking.
