Becoming a **Burlington** FIREFIGHTER

About Burlington

With a population of about 51,000, Burlington is the connection between the triad and the triangle, conveniently situated between Raleigh/Durham and Greensboro. Not only is living in Burlington affordable, the City also has endless recreational opportunities, institutions of higher education, state-of-the-art medical facilities, as well as many other amenities. If you are looking for a small-town feel with big city amenities, Burlington is the ideal place to call home.

Our Mission

The mission of Burlington Fire Department is to minimize the loss of life and property resulting from fires, medical emergencies and other disasters. Through prevention, education, emergency response, and medical services we will provide a product deemed excellent by our customers - the citizens of Burlington.

Recruitment Process

The Human Resources Department accepts applications on a year-round basis. It is recommended that applicants update their application every six months to keep current information on hand for review by the department.

In order to be considered for employment, applicants must meet the following criteria:

1. North Carolina Emergency Medical Technician Certification

-Completion of the course alone will not suffice. Must receive certification.

-Applicants from other states must contact the North Carolina Office of EMS about reciprocity agreements.

2. Valid NC Driver's License

3. High School Degree or GED

4. Must be 20 years of age or older

Ongoing Training

In order to maintain a high degree of readiness, all personnel are required to participate in regular training. The Training Division provides both classes and drills to review life-saving skills and present new information to the members of the Department. Activities such as liquefied gas training, live structural burns, and confined space rescue drills help keep our firefighters ready for any emergency.

In addition, the Burlington Fire Department offers a competitive benefits package.
